

Year 10 Information Evening

Name

VMG.....

We will/will not (please delete) be able to attend the Y10 Information Evening on Tuesday 27th November.

Signed

16th November 2018

Dear Parents and Carers,

Year 10 Information Evening

As you will be aware, our Year 10 students will be taking their formal GCSEs in the Non EBacc subjects in the Summer of June 2019. The list of subjects is as follows: Art, Astronomy, Business, Child Development, Food, Product Design, PE and Sociology.

Examinations in English, maths, science, languages, geography and history will be taken when students are in Year 11 in the Summer of 2020.

In order to support your son or daughter in the months leading up to these external examinations, we would like to invite you to our Year 10 Information Evening for parents and students on Tuesday 27th November from 5.30pm until 7pm in our Post 16 Centre.

Refreshments will be provided in the Post 16 Canteen from 5.30pm and a formal presentation will start at 5.45pm. The presentation will explain the shape of the year for our Year 10 students and will include details of key assessments, revision strategies and ways which parents can support their children at home in order to help them realise their potential.

After the formal presentation there will be an opportunity for parents and students to discuss the Y10 GCSE examinations with members of our Senior Leadership team, Heads of Department and subject staff and our Year 10 Learning Manager. They will be able to answer any queries that you may have and will provide guidance on revision resources and strategies that can be utilised by your son or daughter in the next few important months.

I very much hope that you and your child can attend the Information Evening. Please can you complete the attached reply slip and ask your child to return it to reception by the end of school on Friday 23rd November.

Yours faithfully

Mrs Emma Taylor
Vice Principal
